June 17, 2015 Release Notes

The following changes were released to the live system on June 17, 2015. Please review the below release notes carefully as some changes impact the way the system works. If you have any questions or need clarification on any of the changes, please contact support at 416-961-7884, option 2, or email us at contact@condocontrolcentral.com.

Related Feature	Change Type	Ref #	Release Notes
Amenity Booking			
	Bug	DEV-1102	Addressed bug where enabling/disabling Amenity Booking would lead to an error page.
	Bug	PR-40	Addressed error that occurred when booking an amenity with a selected timeslot that flowed into the next day.
	Improvement	DEV-1091	Each amenity can now be assigned an administration group for booking approvals and email notifications. This can be configured by going to our new 'Setup' feature (administrator permission required) by clicking *Welcome > Setup > Amenities > Edit*.
	Improvement	PR-75	Past-dated bookings no longer show in the Requests Pending Approval feed.
	Improvement	PR-189	Requests Pending Approval feed is now sorted in chronological order.
Custom Branding			
	Bug	DEV-1092	Addressed bug where certain email notifications were not showing the appropriate custom branding logo.
Setup			
	Improvement	DEV-965	Added new 'Setup' feature to allow for self-configuration of system (administrator permission required). Can be accessed by clicking 'Welcome' on the top-right of the screen and then selecting 'Setup'. Please note: 'Define Amenities' and 'Groups' (which were previously located on the sidebar) have been moved to the Setup page.
