July 28, 2015 Release Notes

CondoControlCentral
The really *smart* way to run your condo.

The following changes were released to the live system on July 28, 2015. Please review the below release notes carefully as some changes impact the way the system works. If you have any questions or need clarification on any of the changes, please contact support at 416-961-7884, option 2, or email us at contact@condocontrolcentral.com.

Related Feature	Change Type	Ref #	Release Notes
Amenity Booking			
	Improvement	DEV-1197	Under *View Booking Details > 'Update Booking'*, increased cheque number field from 10 characters to 50. This allows for multiple cheques to be entered.
Login Screen			
	Improvement	PR-299	Spaces in the username field of the login screen will now be trimmed instead of causing an invalid login.
Reporting			
	Bug	DEV-975	Addressed bug where some units did not appear in the Owner/Tenant Phone Number & Email List report.
	Improvement	PR-279	Reformatted the Amenity Usage Report to become more user-friendly.
Security & Concierge			
	Bug	PR-328	Addressed bug regarding emails sent by incident report updates where the 'Updated By:' field was showing the name of the incident report creator rather than the last updater.
	Improvement	DEV-1125	Enhanced performance of package tracking search function.
Service Requests			
	Improvement	DEV-908	Added a service request escalation feature. If a service request does not get updated within a set timeframe, an email notification will be sent to the first escalation group. If the incident report is still not updated within the second timeframe, an email notification will be sent to the second escalation group. Contact support if you would like to have these parameters setup in your building.
Setup Page			
	Improvement	PR-257	Added a new section on *Setup > Workspace Settings* called Welcome Site Settings. This section allows administrators to setup allowed operations for residents accessing the registration site, including their ability to 'change First & Last Names' and 'Add New Users' to their unit.
Unit File			
	Improvement	PR-298	You can now change the display name of built-in groups. (eg. Renters group can be renamed to be displayed as Tenants, Occupants, Residents etc). To do this, please go to *Setup > Groups > Edit > Display Name (administrator permission required)*.
	Improvement	PR-310	In Condo Details, Previous & Next buttons have also been added to the top of the unit file for ease of use.
