May 18, 2018 Release Notes

CondoControlCentral
The really **smart** way to run your condo.

The following changes were released to the live system on May 18, 2018. Please review the release notes below carefully as some changes impact the way the system works. If you have any questions or need clarification on any of the changes, please contact support at 416-961-7884, option 2, or email us at contact@condocontrolcentral.com.

Related Feature	Change Type	Ref #	Release Notes
Announcement	Issue	DEV- 1924	Addressed an issue with slow announcement processing speed. Our new updates should speed up the announcement delivery time for both emails, text & voice and lobby display
	Issue	DEV-1932	Addressed an issue with Announcement text and voice announcements. Users experienced an issue with the validation message when creating a text and voice announcement.
Reporting	Issue	DEV-1933	Addressed an issue with Electronic consent report. The issue occurred with the "users without e-consent" filter.
